PROFESSIONAL SECURITY SERVICES

SUMMER 2021 / RMI INTERNATIONAL INC.

## Remembering 9/11

This month, we solemnly remember the events of September 11<sup>th</sup>, 2001, as our country reaches the 20<sup>th</sup> anniversary of this unforgettable day. We continue to pray for the families of those lost that day and those who gave all on the battlefield fighting for America's continued freedom. Please honor their sacrifices by continuing to serve faithfully in remembrance of that day.

Like most people, I will always remember where I was on September 11, 2001. I was on a wash rack in Hohenfels, Germany, cleaning my weapons and equipment after weeks of training in the field. Suddenly, our supervisor came running out to all of us and said, *get your gear, return to your homes, secure your families, prepare for war. They just attacked America.* I remember my emotions going crazy seeing my wife once I returned home and knowing that our lives had changed forever.

I have since experienced many things trying to do my part for my country as many of you have; some serving in the military, some in law-enforcement, some in the medical field, and some in the security industry. As we strive to ensure that such a horrible tragedy never happens again, we should take a moment to remember where we were, what we learned, and how we felt on that unforgettable day. I personally believe this country is the greatest in the world and believe that your jobs are a valuable part in continuing to keep it safe.

I want to thank you for your continued service to RMI, our clients, my family, but most of all to this great country. Please continue to be safe and "Never Forget".

God bless America!!

Rick Rodriguez, Jr.  
President  
RMI International

## Cliffs Account Site of the Year

RMI would like to recognize Mansfield Works as the RMI Cleveland-Cliffs (formerly AK Steel) 2020 Site of the Year. Additionally, RMI would like to congratulate Jaimie McAvoy and her team for once again making this possible. This location was the only one to maintain a full staff throughout the pandemic with minimal OT, while covering temperature screening for the client and maintaining an exemplary safety record.

Once again, thanks Jaimie for your strong leadership and to you and your personnel for continuing to maintain RMI's standard of excellence.

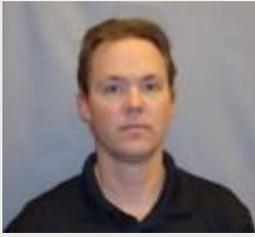

Jason Thomas  
RMI Cliffs Account Manager

RMI President, Rick Rodriguez, Jr., presenting the award to Jaimie McAvoy, RMI-Cliffs Site Security Supervisor

PROVIDING QUALITY SECURITY SERVICES TO AMERICA'S  
TOP FORTUNE 500 COMPANIES FOR MORE THAN A DECADE

## New Site Supervisor

**James Alex:** RMI congratulates James Alex on his promotion to the RMI Honda Longmont, CO Site Security Supervisor position. James was born and raised in Lyons, CO and plans to stay in Colorado for a while, due to his love for the state. Mr. Alex served as a State of Colorado Probation Officer, for eight years, where he supervised high-risk domestic violence offenders. Part of his duties was to monitor their computer traffic.

From there, James went on to complete his master's degree from the University of Denver, in IT Security and Security Management. James loves the area of asset protection and finds the security field fascinating. He was hired by RMI, in January 2020, and was promoted to the assistant supervisor position a few months later. On August 27, 2021, he was promoted to the Longmont Site Security Supervisor position.

Being a native Coloradan, James loves the outdoors and spending as much time as possible with his rescue bulldog, Chief Brody. He also volunteers at animal rescue and shelter locations. Another passion James has is playing and watching hockey. Mr. Alex appreciates the promotion to the site supervisor position and looks forward being a part of RMI's growth and success.

Congratulations, James!

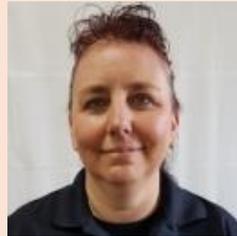

## Meeting the Challenge

RMI wishes to thank the RMI-Cliffs Coshocton and Zanesville personnel who have been assisting with a staffing shortage at another account location. The challenges to this coverage have been that their Cliffs workplace is an hour and a half from the other account location, they had to quickly learn their new security duties, and they have been covering their regular duties as well. Once again, thank you for all your effort and support.

Catherine Griffith –  
Site Security Manager,  
Coshocton &  
Zanesville Works

Bruce Dalton – Site  
Security Supervisor,  
Zanesville Works

Wanda Moore –  
EMT, Zanesville  
Works

Devin Thomas –  
EMR, Zanesville  
Works
